## CLEANING INSTRUCTIONS

Prompt cleaning is always recommended. Ordinary dirt and stains can be removed with a mild soap and water. Rinse the cleaned area with clean water and dry with a lint-free cloth. Bandera will resist, without serious discoloration, the repeated actions of normal dilutions of detergent and solvent based cleaners.

Bleach Instructions: Clean the soiled area with 10% solution of household bleach and water. Apply the mixture with a soft cloth or sponge, then wipe the surface thoroughly. It is important to rinse the cleaned area with fresh water after applying the bleach solution and dry with a soft towel.
